

# Why Did You Decide to Be A Flower Planter Sponsor?

"I think the Downtown Flower Planter Program is a good program for the community and it provides an opportunity for the small business community to participate with. In addition to giving back to the community, it boosts my business exposure along Main Street."

"As a supporter of Main Street Mount Joy, I decided to sponsor a planter because I thought it was a good program for the Main Street corridor. Additionally, it is a meaningful place marker for me as it sits near our former dry cleaning business that was in the Eicherly Family for 75 years."
