LOVIN' YOUR
DOWNTOWN!

I Love My Downtown! Downtown Mount Joy!

Dear Mount Joy Area Resident,

Are you excited about the changes that are occurring in your downtown? We certainly are! Perhaps you have visited a new business that has come to town in the last several years or enjoyed seeing a longtime business in the corridor expand and grow. Maybe you appreciate the visible improvements occurring along the corridor such as the new, unique flower planters or noticing the property investment being made by property owners to enhance their Main Street façade. Perhaps you anxiously await the details of some larger anchor projects in the corridor like fire rebuild effort or the potential that lies in buildings like the former consignment shop. And it is likely that you and your family enjoy one or more downtown community events throughout the year such as Winterfest, Taste of Mount Joy, Fall Pet Parade, the Farmers Market, or Fourth Fridays each month.

Why is all of this activity occurring? Because of people like you who make it happen with their time, dedication, and financial support. However, we need more community members to play a role and make a difference. Just like an apple and its core, the healthier the downtown, the healthier the entire community. Help continue the progress. Your downtown is worth your time and investment. You no longer have to point to another town to illustrate what a great downtown is, you only need to look around right here in Mount Joy. It can't happen without the community's continual support.

As a nonprofit 501c3 organization with a mission to revitalize and build a viable downtown corridor, we need your support in our first annual community-wide fund drive. Operating dollars are raised through grant dollars and private donations from businesses and residents. As a 501c3 entity, your contribution is tax-deductible, to the extent allowed by law. Please complete the form to the right and return it in the self-addressed envelope by mail or dropping it off to the Main Street Mount Joy office.

We thank you in advance for your consideration. Main Street Mount Joy would also like to take this time to gather feedback from you and make sure you know that we welcome your involvement in everything that we do to benefit the community...and ultimately to benefit you. Please share your comments in the area allotted (and attach additional paper if necessary). Please let us know if you would like to receive our quarterly newsletter and certainly make www.msmj.org one of your most frequented websites.

Together we will succeed!

Sincerely,

Michael Gepfer
