

Buy Local Handouts

Main Street Mount Joy's Economic Restructuring Committee is looking to increase awareness to Mount Joy area residents of the importance of supporting local, independent commerce. To aid in our first phase of this effort, the committee has purchased the rights to use & reproduce materials available through AMIBA, American Independent Business Alliance.

If you'd like to have any of the following handouts for your business, simply complete the order form below, return to MSMJ, and we will get your materials printed. Payment will be due to Main Street Mount Joy.
